

CSEP Distinguished Achievement

The Distinguished Service Award is presented to individuals or organizations who, over an extended period of time, have served the Connecticut Society of Eye Physicians in an outstanding way, especially through participation in vision health awareness programs to enhance the preservation of vision and/or with scientific research in the field of ophthalmology. The award was established in 2003 by the Executive Board to honor individuals or organizations who have enriched not only our society but also the community with their dedication and commitment to improving vision.
