

Dear Physician Member,

CSEP has just received its tenth order of 3M N95 masks, this time it is the coveted **Vflex medical grade surgical masks # 1804**. if you are interested in purchasing some with a delivery date of early next week, please fill out the below form.

Like the first nine orders we have a limited supply and will fill orders on a first come first served basis. The N95 Masks are of the highest quality and the mask I find the easiest to breathe in of any N95 or KN95 masks. We are selling each mask for \$4 apiece and in packages of 10 with \$6.00 shipping cost for a total of 10 price of \$ 46.00.

The society is making no money on these masks, we are selling them for what it costs us as a group buyer. We simply want to help our members who have had difficulty procuring PPE, especially masks. We also have high quality surgical masks (level 3) at \$ 1.00 a piece in packs of 10 plus shipping (\$4.00 if ordered alone with no other masks.) I will try to accommodate as many as I can with the supply we are ordering. Thanks and please stay safe, I need you, but more importantly the world needs you, Hugs Deb

If you are interested please fill out this form and fax: 860-567-3591 it back or scan it to debbieosborn36@yahoo.com
